Catholic Education Week

Today, Sun 20th Feb marks the start of Catholic Education Week in Scotland. The purpose of the week is to celebrate the importance of education. As we prepare for this celebration, let us all reflect on the importance of education in our own lives and in our children's lives. The theme chosen for this year is "Grow in Holiness: Become Saints of the 21st Century". This theme echoes the Pope's words when he addressed the young people of the UK and challenged them to "lead lives worthy of the Lord". Second collection today will be for Scottish Catholic Education Service. A representative from Our Lady's High School will speak at 11am Mass on Sun 27th Feb. Please pick up a prayer card from back of Church. See poster
