'Strive to be Worthy' A new document has been published by the Scottish Catholic Education Service to highlight how some of the Pope's messages for Catholic education, delivered during his visit in September, can be addressed by families, schools and parishes. It reminds us all of the Holy Father's words: "..... many men and women have laboured over many centuries to hand down the faith to you. Strive to be worthy of this great tradition." The document can be downloaded from the SCES website: www.sces.uk.com
