World Food Day 16 October It is estimated that **925 million** people in the world are undernourished; nearly **11 million** children under five die in developing countries each year and malnutrition and hunger-related diseases cause 60 per cent of these deaths. The aim of World Food Day is to bring attention to the human cost of hunger, to raise awareness of the world food problem, and strengthen solidarity in the struggle against hunger, malnutrition and poverty. See www.fao.org for information.

Resources for the Year of Faith Pick up a Prayer Card or leaflet prepared by the Archdiocese.

Drivers needed Our St Vincent de Paul are involved in driving parishioners who are infirm or housebound to Holy Mass on Saturdays and Sundays. We do need some help in this work. If you are a driver and can spare the time, even on a temporary basis, please contact any member of St Vincent de Paul or leave a wee note with your name and contact number in one of the boxes at the back of the church. Being picked up for Mass is of great benefit to our brothers and sisters who would otherwise find it very difficult to attend.
