This week is Vocations

Awareness Week "Place your lives in the hands of Jesus. He will accept you, and bless you, and he will make such use of your lives as will be beyond your greatest expectations! In other words: surrender yourselves.....into the all-powerful, sustaining hands of God and you will find yourselves transformed with "newness of life", with fullness of life. "Unload your burden on the Lord, and he will support you". It is not of primary importance what walk of life naturally attracts you - industry or commerce, science or engineering, medicine or nursing, the priestly or religious life, or the law, or teaching, or some other form of public service - the principle remains always the same: *hand the direction of your life over to Jesus and allow him to transform you and obtain the best results, the one he wishes from you.*" Bl John Paul II, to the young people of Scotland.
