4. How are Year of Faith and New Evangelization linked?

The New Evangelization is a call to each Catholic to deepen his or her own faith, have confidence in the Gospel, and possess a willingness to share the Gospel. The New Evangelization is first and foremost a personal encounter with Jesus Christ; it is an invitation to deepen one's relationship with Christ. It is also a call to each person to share his or her faith with others. The Year of Faith, just like the New Evangelization, calls Catholics to conversion in

order to deepen their relationship with Christ and to share it with others.

Year of Faith

Leaflets for Nov/Dec including Advent are now available at the back of the church

November Lists This Sunday is the last Sunday in October our month of prayer for the Holy Souls in Purgatory. Since there still seems to be a desire for this devotion, there are envelopes and 'lists' available at the back for those who wish to participate. I will offer the Mass each day of November for the peaceful repose of the souls of those whose names are inscribed. It is appropriate to make an offering and it is once more my intention to unite my offering with yours by sending all donations I receive to the Franciscan Community in Jerusalem. It is my hope that they will offer a Novena of Masses at the Basilica of the Resurrection.

The Wayside Club The Legion of Mary Wayside Club, 32 Midland Street, Glasgow, is, after 80 years, still very much alive and continues to serve the homeless and all those on the edge of society. We draw this to your attention as some parishes are under the impression that the Wayside Club has been taken over by another organisation and renamed.
