Protection of Children and vulnerable Adults

It is most important for us, as a parish; to ensure that anyone working with such groups has been approved by the Archdiocese and that they are aware of the policies of the Archdiocese for the protection both of the adults themselves and the groups they are serving. All of us can find this difficult; regrettably, history shows the problems that can arise: a meeting will soon be arranged inviting all those who are working with such groups or those who would like to take on this service and responsibility.

Welcoming new life into our Church and our Parish

During the Easter Vigil **Maureen Avis and her son, Kevin Avis**, will receive the Sacrament of Confirmation and be received into Full Communion with the Catholic Church.. The Sacrament will be conferred by me by delegation from the Archbishop with the new oil blessed at the Mass of Chrism. As they are welcomed into Full Communion with the Catholic Church and make their First Holy Communion. Maureen and Kevin were both baptised into the Episcopalian/Anglican tradition and were for many years parishioners of the Holy Name Episcopal Church in Cumbernauld. Whilst the Episcopalian Church does celebrate the sacraments, we have no way of knowing if they are valid. Since their bishops and priests cannot trace their sacred Orders back to the Apostles, the Catholic Church does not recognise the validity of their Sacred Orders and hence of the sacraments conferred, other than baptism. They have been preparing for the past year or so and are now ready to take this final step in their journey of Christian Initiation. On Easter Sunday during 11am Mass, **Emily Carole Mowat** will be baptised with the new waters blessed at the Easter Vigil. The second child of Barry and Nicola, we rejoice with them that she will receive the gift of new life, the foretaste and promise of the life to come.
