Life in the Eucharist

—the two sessions that remain are: "Abiding Presence" and "Liberation". They take place at 7.30pm on Monday, 30th Sept. and Monday, 7th October. The 'feed-back' from those who took part in the first sessions was most encouraging. I hope we will be able to give the two remaining sessions the same whole-hearted support.

Fundraise for SANDS I know you are all probably fed up with donation requests, but sorry, here's another one. I will be taking part in the 10K on 6th October 2013 to fundraise for SANDS (Stillborn and Neonatal Death Society) in memory of my wee granddaughter, Ayla

Penny, who was born asleep on 8th June 2013. SANDS provide a fantastic service to bereaved parents and families at the worst time in their lives. I hope you can help in some way – as Tesco say "every little helps". My fundraising page is: <https://www.justgiving.com/Elizabeth-Hayes2>

Welcoming new members into the Church and into our parish community. Whilst it is not always possible to have baptisms during Mass, this is, in fact, the most appropriate time for them to take place. New members are the vital life blood of any community not least of a community of faith and it is our joy and our pleasure to make the children and their families welcome. Baptism is the spiritual rebirth of the person. The font can be seen as the womb of Our Holy Mother, the Church. As the Christian family, the Church, we are celebrating the birth of our children. Over the next few weeks the following children and babies will be received into the Church: **Aiden Patrick Shields, Shannon & Sharee O'Neill, Gabriella Karen Robinson, Sophie-Ann Adams, Orlaith Rose Reilly and Chloe Daly.** This Sunday the Rite of Welcome and the anointing with the Oil of Baptism (Catechumen) will be celebrated with Gabriella and Sophie-Ann. The anointing with this oil can take place on many occasions as it is a sacramental aid to help prepare the soul for the reception of the sacrament of Baptism. I ask you most earnestly to pray for these children and their families. They are our hope, our joy and our future as well as the hope and the joy of their own natural families.
